BLOOD & BONE

MATERIAL SAFETY DATA SHEET

First Aid:

Swallowed: Swallowing small quantities is not normally harmful. If Swallowed **DO NOT** induce vomiting. Give several glasses of water to drink to dilute. Seek medical advise.

Eye: Hold eyes open, flood with water for 15 minutes and see a doctor.

Skin: A small amount of skin contact is not normally harmful. Remove contaminated clothing and wash skin thoroughly. Wash with soap and water. Launder contaminated clothing before use.

Inhaled: Recovery is rapid after removal from exposure, if symptoms persist seek medical advice.

Advice to Doctor:

Treat symptomatically

PRECAUTIONS FOR USE

Exposure Limits: No exposure limit has been assigned to this product. Where no specific exposure standard has been assigned, the recommended exposure standard for dust in general shall be 10mg/m measured as inspirable dust. The exposure limit is expressed as a time weighted average (TWA) concentration over an 8 hour working shift, for a 5 day working week and is the exposure standard recommended by Worksafe Australia.

Ventilation: Maintain adequate ventilation.

BLOOD & BONE

MATERIAL SAFETY DATA SHEET

Personal Protection:

When using do not eat, drink or smoke. Wash thoroughly before smoking, eating or using toilet facilities. Wear overalls, boots, gloves and safety goggles.

Avoid inhaling dust. Where high concentrations of airborne dust are present, a dust respirator conforming to AS1716 should be worn.

Flammability: Very slowly combustible or not flammable.
