MATERIAL SAFETY DATA SHEET

First Aid:

- Swallowed: If Swallowed seek medical assistance.
- Eye: Hold eyes open, flood with water for 15 minutes and see a doctor.
- Skin: A small amount of skin contact is not normally harmful. Remove contaminated clothing and wash skin thoroughly. Wash with soap and water. Launder contaminated clothing before use.
- Inhaled: Recovery is rapid after removal from exposure, if symptoms persist seek medical advice.
- Advice to Doctor:
- Treat symptomatically

PRECAUTIONS FOR USE

- Exposure Limits:** No exposure limit has been assigned to this product. Where no specific exposure standard has been assigned, the recommended exposure standard for dust in general shall be 10mg/m measured as inspirable dust. The exposure limit is expressed as a time weighted average (TWA) concentration over an 8 hour working shift, for a 5 day working week and is the exposure standard recommended by Worksafe Australia.
- Ventilation:** Maintain adequate ventilation.
